Sewing Needle

INSTRUCTION

1. Trim off the barcode strip from Paper 2 and 17. Set Paper 2 aside. Fussy cut the 'O' in LOVE. Trace the small template, 12 times, on the remaining letters and fussy cut them out. Set aside all pieces

2. Chain stitch the pink doily with all 6 strands of the DMC Floss.
3. Tape or glue the white cut file in the center of your stitched doily and pop them up with 3D foam tape in the center of Paper 2.
4. Add 3D foam to the 12 fussy cut pieces and pop them up on the cut file. Add more dimension with fingers, don't bend or make creases, just fluff! Add 3D Foam to the 'O' and pop it up on the cut file.
5. A hidden pocket holds a tag for journaling. Fold in the sides, glue it to the back of the photo mat. Use your bone folder to burnish it. Once dry, add 3D foam to the photo mat and adhere it to the center of the layout. Trace the clear template on your 4x4 photo, fussy cut your photo. Tape the photo on the photo mat and add it to your layout.

- Fussy cut the pink plaid tag from Paper 9. Glue a reinforcement to the front and back. Add the transparent floral cluster from the Sticker Book, top front. Brush the back with embossing powder or baby powder to remove stickiness . Add a strip of silver rick-rack from the Sticker book. Make a small double bow with silver thread and attach it to a silver flower from the Sticker book. Glue on a blue flower from the Cardstock Stickers. Slide it into the hidden pocket.

- Add 3D foam to the back of the rainbow from the ephemera die cuts and place it just behind the tag. Add a mini puffy flower sticker to the rainbow as shown.
- Add 'US' from the Thickers, slightly overlapping, with the 'S' slightly on your photo as shown. Brush the top back of the 'S' with no-stick powder.
- Add the 'two of a kind' chipboard banner, slightly off center, to the right.
- Tuck the floral bouquet from the Cardstock Stickers slightly under the photo mat.
- Add 3D Foam to the back of the birdhouse from the Cardstock Stickers. Add it to the left of the banner.
- Brush no-stick powder onto the pink bird from the Cardstock Stickers and glue onto the birdhouse. Add a silver heart from the Chipboard Stickers onto the birdhouse.
- Add 3D Foam to the back of the yellow flower from the Floral Ephemera Pack, add it over the floral bouquet. Tuck a green leaf under the floral bouquet and add a small purple flower from the Mini Flower Puffy Stickers.
- Brush no-stick powder on the 'full of smiles' banner from the Sticker Book. Glue it on the birdhouse as shown. Glue the purple bird from Ephemera Die Cuts on the right of the banner as shown. Add an orange/rust coloured flower from the Mini Flower Puffy Stickers.
- Fussy cut 5 butterflies, various colors and sizes, from Paper 16 and glue on the LO as shown.
- Glue on 3 buttons from the Cardstock Stickers as shown and finish.
- I always like to add a bit of sparkle with sequins and Stickers :D
